

Inside,  
there were  
records of her  
conversations  
with her other  
personality.

While  
Michiru was  
admitted to  
the hospital  
for an  
examination,  
I discovered  
her notebook.

OO Month XX Day:  
I became good  
friends with a cat.  
Even though I am  
very happy, I  
immediately get  
lonely whenever  
it's not around.

OO Month XX Day:  
Today, a guy  
came to our  
school. He seems  
to be suspicious  
of my character.  
If I don't put up  
a better act...

OO Month XX Day:  
I went on a pretend  
date with Yuuji.  
Since everything  
is a lie, nothing will  
disappear. I want  
to do it again.

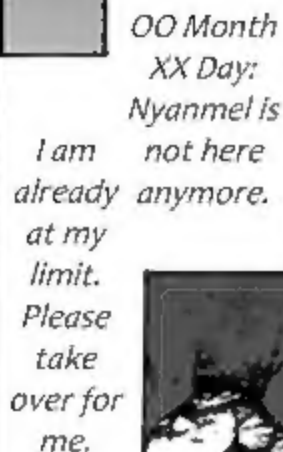

After that,  
we named the  
cat "Nyanmel".  
But, is it really  
ok for us to give  
it a name?

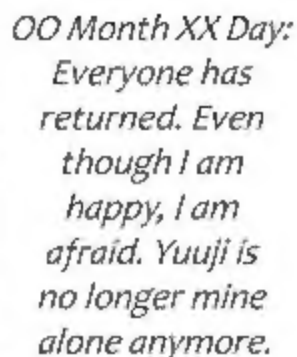

OO Month  
XX Day:  
Ever since the  
time I was born,  
this is the first  
time I've kissed,  
or should I say,  
been kissed.

To be  
so dense as  
to not under-  
stand what  
that means,  
Yuuji is such  
an idiot!

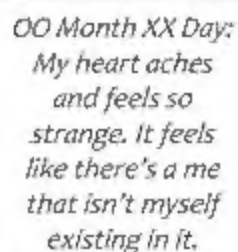

**Chapter 13: And so,  
towards tomorrow**

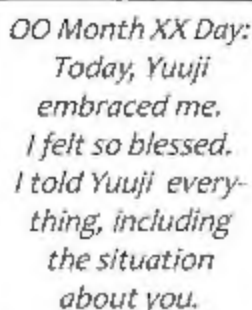

OO Month XX Day:  
Nyanmel is  
I am not here  
already anymore.  
at my  
limit.  
Please  
take  
over for  
me.

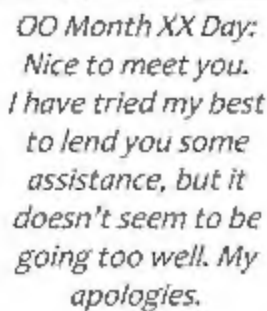

OO Month XX Day:  
Everyone has  
returned. Even  
though I am  
happy, I am  
afraid. Yuuji is  
no longer mine  
alone anymore.

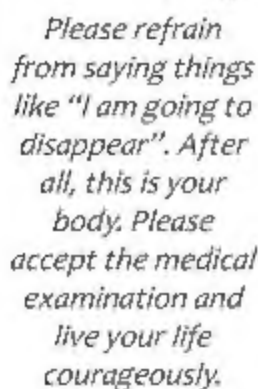

OO Month XX Day:  
My heart aches  
and feels so  
strange. It feels  
like there's a me  
that isn't myself  
existing in it.

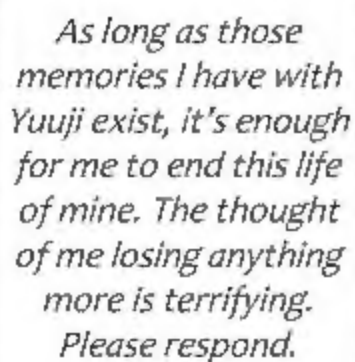

OO Month XX Day:  
Today, Yuuji  
embraced me.  
I felt so blessed.  
I told Yuuji every-  
thing, including  
the situation  
about you.

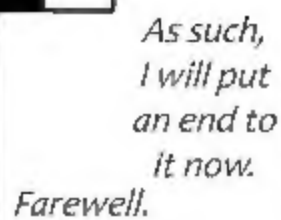

OO Month XX Day:  
Nice to meet you.  
I have tried my best  
to lend you some  
assistance, but it  
doesn't seem to be  
going too well. My  
apologies.

Please refrain  
from saying things  
like "I am going to  
disappear". After  
all, this is your  
body. Please  
accept the medical  
examination and  
live your life  
courageously.

As long as those  
memories I have with  
Yuuji exist, it's enough  
for me to end this life  
of mine. The thought  
of me losing anything  
more is terrifying.  
Please respond.

As such,  
I will put  
an end to  
it now.  
Farewell.

Nice  
to meet  
you. I am  
heading to  
the hospital  
right now.  
I think  
you are really  
smart, consider-  
ate, and more  
suited to be me  
than myself.

Ahhh, I am getting all nervous since we haven't seen each other for so long.

And so, today is the day Michiru is discharged from the hospital and returns to Mihama Academy.

Welcome back, Michiru-sama!

Allow me to carry your luggage!

Oh? Are you two here to welcome me?

What did you want to talk about?

.....She said that she will never come out again.

You are the other Michiru, correct?

What happened to the real Michiru?

But during that moment, I also thought of going along with her wishes.

.....I too believe that child should continue to live on using this body.

Do you think that things are fine this way?

Let's have you eat more to make it more effective, then.

That's what she ate in order to suppress me...

.....If that's the case, let's reaffirm what she has in mind, then.

Unfortunately,  
Michiru  
has passed  
away.

Didn't  
she just get  
back from  
the hospital's  
examination?

How  
could  
that  
be...

**I don't  
want you  
to die,  
Chiru-  
chiru!**

Even  
though the  
examination  
results looked  
good, her  
condition  
changed all  
of a sudden.

It's  
actually  
some other  
illness that  
made Michiru's  
condition  
deteriorate.

Accept  
their  
sadness  
head on.

I...  
didn't  
die...?

Looks like  
the effects  
of the muscle  
relaxant have  
worn off.

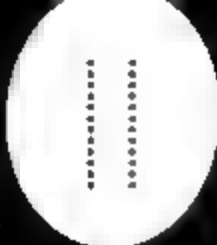

...  
Hello  
.....

Eep!

If you  
wish to  
live on,  
give me  
a call.

This is  
the last  
choice you  
will ever  
make.

Yu-  
Yuuji?

Amane's  
etter

Michiru

!

To Chiru-Chiru,  
why did you go off and die  
without letting me know  
y'know? There are obvious-  
ly so many games that I  
want to play with Chiru-  
Chiru, you're not allowed  
to die before we play them  
all. Thank you for every-  
thing till now, but it's really  
too strange for things to  
end up this way. -Mākina

To Michiru-sama,  
I believe that we will  
still be able to meet  
up again, hence I have  
refrained from writing  
words of farewell.  
Everyone is waiting  
for Michiru-sama, so  
please take care of  
yourself until we  
meet next. -Sachi

To Michiru,  
I already know  
that you are not a  
tsundere. Hence, I  
was worried that  
you might have  
always been forc-  
ing yourself.  
There should be  
no need for you  
to force yourself  
now, right?

In everyone's  
eyes, Michiru has  
always been an  
important friend,  
an existence that  
is irreplaceable.  
Please rest in  
peace. -Amane

There's  
no way for  
me to talk  
with the others  
anymore

Matsu-  
shima-  
san !

Weird  
My fingers  
are trem-  
bling?

No.  
This  
is so  
scary

Haa...

Haa...

!!

BEEP  
BEEP

!

Hey,  
wait a  
moment

Didn't you  
yearn for  
death?

I did yes  
But now I'm  
thinking that I  
shouldn't have  
taken it upon  
myself to  
search for it.

I really  
wanted to  
live on, yet  
my life  
ended in an  
accident.

**I want to  
be together  
with every-  
one... with  
Yuuji!**

I want to  
meet everyone  
again I want  
to meet  
Yuuj

PANT

PANT

Even  
though..  
it's just  
a little b t  
more

Urgh.  
I want to  
live on

I sti  
I don't  
want to  
de. .

I'm..  
I'm at  
my m t

Yuuji...  
Yuuji ..

This is reality,  
not a dream.

Is this...  
a dream?

To think  
that I'm  
able to  
speak  
with you  
again.

You don't  
want to  
see me  
again, am  
I right?

I'm really  
sorry for  
letting you  
have such a  
bitter ex-  
perience.

I would  
still want to  
be together  
with you,  
Yuu, even  
if it's only  
one second  
longer!

Even  
if the end  
came one  
day,

It gave  
me the  
courage  
to face  
reality

No,  
that's not  
true! While  
the way you  
went about  
doing this  
was indeed  
a bit force-  
ful

Not just  
as a game  
of make-  
believe, but  
as a true  
couple  
together  
with you!

...I  
got  
it.

Yup!

I w l be  
by your  
side from  
now on,  
too.

Yeah.  
Lots of work  
and prepara-  
tions were  
done in order  
to prevent you  
from dy ng.

I see.  
So the coffin  
was installed  
with a device  
that delivers  
air.

Welcome  
back,  
Michiru-  
sama.

In order  
to aff rm  
your fnal  
wish, I made  
you swallow  
some suppres-  
sants, right?

But f I  
didn't come  
out after a  
that, what  
were you  
going to  
do?

Huh?  
Ordin-  
ary?

Those  
weren't pills  
that suppress  
one's personali-  
ty. Just ordinary  
lemon flavored  
sweets.

Yes, and  
thus I was  
confident

that the  
reason you  
appeared  
was because  
you didn't  
want to die.

**It's a  
zombie...!!**

While  
it's a bit  
e-embarr-  
assing,  
Matsushima  
Michiru has  
returned!

Indeed, no. I  
wholeheartedly  
did not believe  
that Michiru-  
sama had  
passed  
away

Sachi,  
aren't you  
surprised  
to see me  
at all??

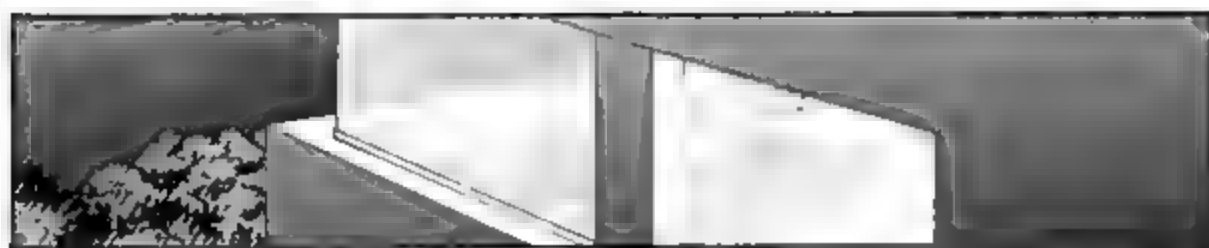

Ehehe,  
I'm back.

**Wahhhhhh,  
Chiru-chiru!**

Mhm,  
it's a  
prom-  
ise.

Promise  
me too that  
you will never  
die again.

Sorry, I  
won't be  
going any  
where  
now

Nnn...  
Yuuji's  
super  
big...

Chuu.  
Nn  
Ha.  
Nnn

Nnn...  
Ahhh..  
Ah...  
Nnn!

Hyaaa!

If  
you  
rub it  
that  
way..

Yuuji  
I want  
more...

**Ahhh-  
hhhh-  
hh!!!!**

Haa..  
mmm..  
Yuuji's...  
thrusting  
vigorously  
inside of  
me

**Ah...  
ahhh! Yuuji  
is so pass-  
ionate!**

Haaa  
it feels so  
good that  
my strength  
is slowly  
draining from  
my body!

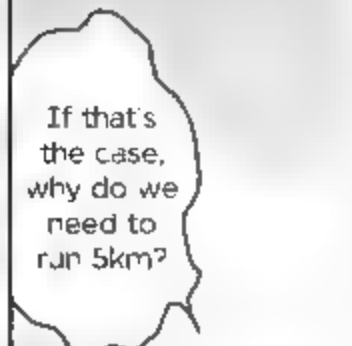

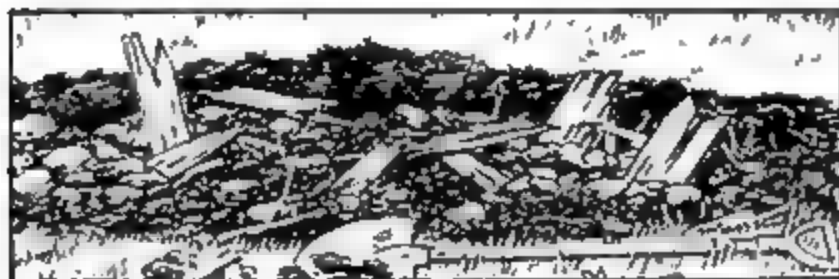

If  
that's  
the  
case

**Hiyaa  
aaa!?**

At this point, she has no longer needs me, right?

Why did you call me out?

Lisa, Michiru is very grateful to you.

She has never thought of you as unnecessary

What's your name?

Eh?  
Lisa ?

But still,  
there's no  
way I can be  
happy by  
myself.

What she  
said about her  
heart having  
lingering  
regrets is also  
bothering  
me

It's because  
she is around  
that I am able to  
be together with  
everyone like  
this, isn't it?

Yuu,  
kun  
where  
are you  
head-  
ing?

To  
think that  
Mich ru was  
think ng  
about al  
th s

Even f  
they were  
to see me  
now they  
wou d not  
know who  
I am.

Because  
of the acci-  
dent, I didn't  
get the chance  
to b d fare-  
we to my  
parents.

What  
are those  
regrets  
linger ing  
in your heart,  
L sa?

An

plane!?

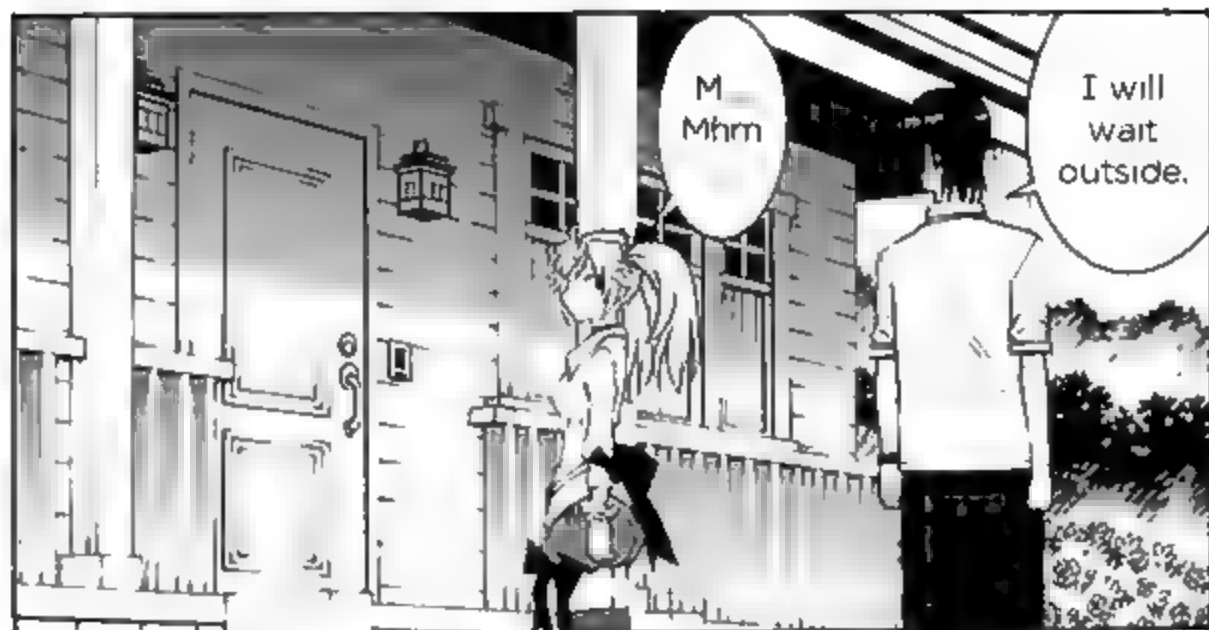

Sorry
